

Subject: Introducing Emoji with Sound – A New Way to Express in Chats

Dear [Recipient Name],

I hope this message finds you well.

I am Dhanraj Dnyaneshwar Thopate from Pimpare Khurd, Taluka Purandar, District Pune, Maharashtra. I have developed an open-source project called ****Emoji with Sound****, which adds sound effects to emojis in chat applications to create a more expressive and immersive chatting experience.

I believe this innovation can greatly enhance user engagement on your platform. I would love to discuss potential collaboration or integration opportunities.

Please find the GitHub repo here: <https://github.com/DDT2340/Emoji-with-Sound>

Looking forward to your thoughts.

Best regards,
Dhanraj Dnyaneshwar Thopate
