

Emoji with Sound

****Emoji with Sound**** is an open-source project that adds sound effects to emojis in chat applications to make conversations more expressive and fun.

Features

- Play sound effects along with emojis
- Easy integration with chat apps
- Supports popular emojis and customizable sounds

How to Use

1. Clone the repo
git clone <https://github.com/DDT2340/Emoji-with-Sound.git>
2. Open the project in your favorite editor
3. Follow instructions in the docs folder to integrate with your chat app
