Contributing to Emoji with Sound

🙏 Thank you for your interest in contributing!

We welcome pull requests, feature suggestions, bug reports, and improvements.

How to Contribute

1. **Fork the repository**
2. Create a new branch: `git checkout -b feature-name`
3. Make your changes
4. Commit and push: `git commit -m "Add your message"`, `git push origin feature-name`
5. Open a Pull Request

Coding Standards

- Keep code clean and commented
- Use descriptive commit messages
- Follow JavaScript best practices

Reporting Bugs / Suggesting Features

Please open an issue with:
- A clear title
- A detailed description
- (Optional) screenshots or examples

Happy coding!
